

### **6.24.3. Fish data**

It is envisioned that the biological monitoring stretch of Danby Beck is likely to be fishless, however funds are being sought to electrofish the stream in order to confirm this.

#### **6.24.3.1. Summary of Trout fry densities (numbers m<sup>-2</sup>), Danby Beck**

Not fished.

#### **6.24.3.2. Summary of Trout parr densities (numbers m<sup>-2</sup>), Danby Beck**

Not fished.
